

Restaurants & Bars

MAYA SARI

Our signature restaurant offers relaxed all-day dining inside and alfresco on the terrace. The morning sun heralds an extensive breakfast buffet before an a la carte lunch menu can offer international and local favourites. Dinner brings with it a themed evening and either a cultural focus, live acoustic set or traditional fire dance. Experience authentic Asian favourites and become a spectator at the ever-theatrical teppanyaki counter.

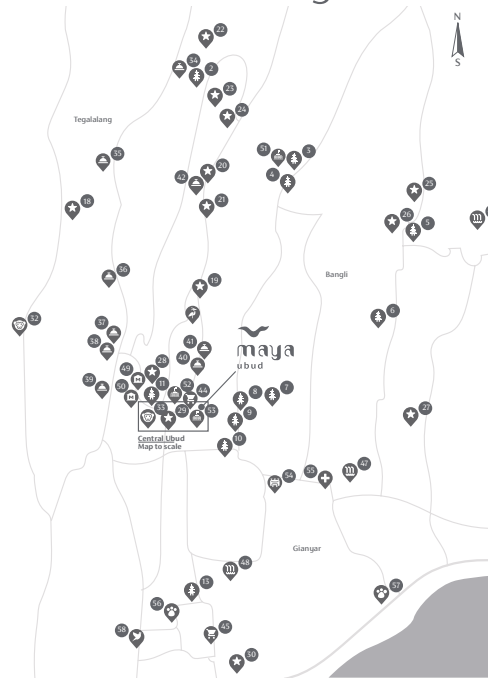

BEDULU BAR

An elegant, open-plan pavilion perched above the lush valley. Stay for the wonderful array of locally-inspired cocktails, wine, beer, nibbles and snacks.

RIVER CAFÉ

A firm focus on healthy, fresh and organic choices is inspired by the nearby Spa at Maya. Think blended fresh juices, hearty salads, sandwiches and sizzling hot stone specialties made with sustainably sourced ingredients.
