MAYA UBUD RESORT AND SPA

There can be few tropical venues more perfectly suited to saying “I do” than any one of the five select venues enshrined within the grounds of the luxurious Maya Ubud Resort and Spa.
Located just a few minutes' drive east of Ubud, the famous epicentre of Bali's art and culture, Maya Ubud Resort offers a selection of spacious rooms situated in two wings, plus three styles of private pool villas and its stately Presidential Villa. Set in lush natural tropical gardens alongside the twisting Petanu River and supported by excellent formal and casual dining, first-class leisure facilities, two pools and, of course, its outstanding spa, Maya Ubud is a graceful and idyllic destination for you and your guests to celebrate your union.

The superior and deluxe balconied rooms of the east wing and the Duplex Pool Villas with their outdoor Jacuzzi and private pool offer views up or down the river valley, whilst those in the west wing overlook the iconic rice terraces of Peliatn village.

Stretching away from the lobby either side of a wide lush avenue, the villas to the east open onto the tropical forest and the river below, whilst those on the west have delightful garden and rice-field views. No matter how lavish or how simple your dreams might be, the Maya Ubud wedding planners are experienced in creating special memories to help ensure your wedding or blessing is a time of pure joy. Exchange your vows in one of five individual locations, including the Full Moon Stage, suitable for up to 80 seated guests or, for a more intimate occasion, why not explore the panoramic Scenic Plaza?

Perhaps the Balinese temple, where you can enjoy a truly local experience, might suit, or perchance the open-air Starlight Deck, with its 360-degree vista, situated above the enchanting Petanu River with seating for 50 guests will delight?

For your reception or post-wedding party, Maya Ubud Resort also offers a selection of stylish indoor and outdoor spaces where guests can enjoy the exceptional Maya hospitality, which, like your ceremony, can be tailored to suit your exact needs.

A SPECIAL TOUCH
Couples can choose from an extensive menu at Spa at Maya that features both his and her treatments, including beauty and rejuvenation therapies, massage and body recharge treatments, delivered professionally by the Maya's acclaimed staff. Highly recommended is the Tropical Escape Papaya-Pineapple Crème Fraîche Wrap – both nourishing and repairing, this exquisite treatment is simply divine. Spa at Maya is an idyllic venue overlooking the Petanu River where guests can indulge in anything from the simplest treatment to a comprehensive sensory journey.

ROMANTIC DINNERS AT WORLD-CLASS RESTAURANTS

The island is home to a cornucopia of outstanding restaurants offering a wide range of incredibly mouth-watering delicacies served in often matchless settings. Many of the top resorts offer romantic dinners on the beach, in rice fields, on the cliffs or ensconced within their own manicured exotic gardens. One of the more unusual is a specially crafted, five-course dinner served by your own personal wait staff in a secluded, secret cave on a private beach, allowing guests to indulge in absolute privacy serenaded by the crashing waves nearby. This unusual and superb evening is arranged by the lavish Samabe Bali Suites and Villas.

GLORIOUS PAMPERING AT AN UNFORGETTABLE SPA

Bali is world-famous for its highly skilled spa therapists who will utilise the entire extent of the spa repertoire, from centuries-old techniques and fully natural ingredients to cutting-edge techniques and treatments to relax, pamper and rejuvenate your mind and body.

We have too many favourites to name them all here, but one stand-out experience is at Spa at Maya Ubud.

Thatched treatment huts are ensconced in an almost primeval jungle river valley and offer relaxation, well-being and pampering. Choose your massage, add a body scrub, reflexology or facial, lie back and be pampered from head to toe, then end your treatment together in petal-
