Designed for business travellers, couples and small families with one child, Maya Ubud’s Superior Garden Villas are furnished with romantic canopied beds and offer the flexibility of one king-size bed or two twin mattresses. An extra bed may be added to accommodate a third person. For families with babies, an infant’s cot is also available upon request. The quintessential Ubud experience includes having access to your own private pool, and the Deluxe Pool Villas pamper guests with a sleek pool set within the villa’s private garden. Choose to relax with a refreshing dip, or sit back and lounge on the alfresco day bed, encouraging you to fully digest Bali’s mystical ambience.

Overlooking the awe-inspiring Petanu River Valley, two Duplex Pool Villas embody the spirit of Ubud, indulging your senses with breath-taking views, enchanting sounds and the nourishing touch of a cooling breeze. Experience tranquil slumber in the intricately hand-carved bed, reflecting the unique craftsmanship of local artisans. Your seductive wooden patio leads to the edge of a contemporary pool, hand-hewn stone walls, an outdoor bathtub, and manicured tropical gardens. Upholstered furnishings in colourful hues add a touch of whimsy to the villa’s understated elegance, while throw pillows in Bali’s legendary black and white motif represent the Hindu struggle between good and evil. There is no better place to enjoy your morning coffee or late afternoon libation.
