60 Dream WEDDING PACKAGES in breathtaking locations

REAL Destination Weddings to inspire your own great escape
Maya Ubud Resort & Spa sits between the Petanu River valley and rice fields of Peliatan. The Spa at Maya offers revitalising treatments that refresh body and soul. Recreation facilities include two swimming pools, a yoga pavilion, village trekking, and many more. There are luxury dining options with both international and regional dishes.

**Accommodation and Location:** Maya Ubud Resort & Spa sits in splendid seclusion, bordered by the dramatic Petanu River valley and the villages of Bedulu and Pejeng, as well as the verdant rice fields of Peliatan. The 10-hectare tract of land is a tranquil haven of tropical gardens and architect-designed thatched buildings complete with private pool villas and luxury guest rooms. There are 108 accommodation options in total.

**Weddings:** Walk down the natural aisle with a gentle breeze in your hair, accompanied by the song of birds and the sound of the river waters below, then exchange your vows on the breathtaking edge of the river valley. Ubud is a magical part of Bali and is truly the ideal location for your wedding.
